

Lehigh Valley: Why Gerrymandering is Bad, And How to Fix It

Pennsylvania has some of the most unfair congressional and legislative districts in the country. In the Lehigh Valley and around the state, gerrymandering has weakened the power of our votes.

Come hear from Carol Kuniholm, Co-founder and Chair of Fair Districts PA, about how gerrymandering is bad for government, bad for business and bad for the Lehigh Valley. Then find out how we can fix it, together.
